Bath Bombs

# CBD BATH BOMBS

This year has taught us to make time for self-care and prioritize our physical and mental health. We strive to regularly choose healthy meals, exercise and take baths with our 100mg bath bombs. Fortified with essential oils that relax and rejuvenate. Essential to any product line up and a great reminder to encourage natural self-healing – one bath at a time.

## 4 TYPES

### CITRUS HIBISCUS

Protective and pacifying with amazing skin softening properties. This luxurious bath puck has a citrus aroma and dried hibiscus flowers to rise to any occasion.

### LAVENDER

The combination of Lavender and CBD is soothing and helps with winding down for a restful night.

### LEMONGRASS ORANGE

Looking for a way to boost energy with a bath? This bath puck and the combination of essential oils refreshes and energizes. A great balance to the other pucks in a product line up.

### ROSEMARY MINT

Perfect for pampering yourself anytime of day. The rosemary and mint aromatics can help loosen congestion and clear nasal passages.
